OR91-332

Dear Mr. Ramirez:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 10758.

You have informed us that a third party, Adjustco, Inc., objects to the release of the requested documents on grounds that the documents contain proprietary information. Accordingly, on November 21, 1990, we sent Adjustco a letter inviting it to submit its arguments against disclosure. *See* Art. 6252-17(a) V.T.C.S., sec. 7(c). To date, we have received no answer to this letter. Moreover, you have declined to make an argument for non-disclosure on behalf of Adjustco. *See* ORD No. 542 (1990). Without an explanation of how the information fits within an exception to the Open Records Act, this office must direct you to release the requested information. *Id.*

Because prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-332.

Yours very truly,
